Dear Bob:

Thank you for sharing with me your ideas on how to make the Americans with Disabilities Act (ADA) easier to comply with for businesses and state and local governments. I have heard from many of my constituents on this matter, and I share your concerns regarding the ambiguous nature of the ADA.

I have instructed my staff to follow-up with the staff of Sen. Jim Jeffords to explore the possibility of joining him in working with the Department of Justice to further clarify ADA guidance.

Again, thank you for sharing your ideas with me.

With warmest regards, I am

Sincerely,

Bill Frist, M.D.
United States Senator
