Dear NDAC Supporter:

When I agreed to serve on the Advisory Board of the National Disability Action Center (NDAC), I did so because of my strong belief in the truly unique and important work NDAC does in providing equal access and opportunity for all Americans.

The staff at the National Disability Action Center has worked tirelessly to enhance the rights of people with disabilities. Many of us in Congress have looked to NDAC for assistance in improving our nation's disability policy.

Please join me and others with disabilities across the country in supporting NDAC's programs by becoming a NDAC member today.

Sincerely,

BOB DOLE
