

BOB DOLE  
UNITED STATES SENATE

April 17, 1995

Dear Friends,

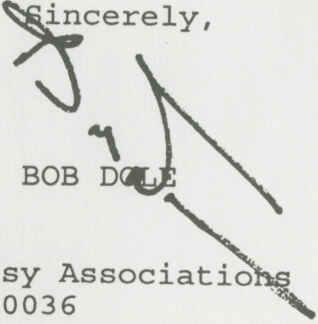

I am sorry not to be with you today, but I deeply appreciate your Leadership Award. As many of you know, disability has not been only a legislative issue for me, but a personal one as well.

Indeed, I hope that Americans with disabilities think of me not only as a U.S. Senator, but as their advocate in the Senate as well. Today, many more Americans have a better chance for full, independent lives than even a few years ago. It has been my privilege to help make this possible.

I think you know my high regard for UCPA. Every day, your work makes all the difference for thousands of people with disabilities. And I rely upon your staff for their good advice. If the Senate gave Leadership Awards, UCPA would be at the top of my list.

We have a lot of work to do--and you can count on me. And I know I can count on UCPA.

Sincerely,

BOB DOLE

Dear friends,  
I deeply appreciate.

As a whole, it has been my privilege to ...  
As well as for UCPA, it has been my honor to be part of the future.

Senator Robert Dole  
United States Senate  
141 Senate Hart Office Bui  
Washington, DC 20510

Dear Senator Dole:

It is our pleasure to inform you that you have been selected to receive the 1995 National Governmental Activities and Advocacy Leadership Award from United Cerebral Palsy Associations. This award is given each year to a legislator who has demonstrated outstanding leadership in advancing the independence of people with disabilities.

We would be delighted to have you join us at our Annual Award Luncheon on Friday, April 21st from 11:30 am to 1:30 pm at the Stouffer Harbor Place in Baltimore, Maryland to receive the award. However, because we know your demanding schedule as Senate Minority Leader may prevent you from attending the awards luncheon in person, we would be pleased to work with you to provide our members and friends with a video presentation of your acceptance remarks.

We look forward to expressing our appreciation, and that of UCPA on April 21st. <sup>Ms.</sup> Chris Wheeler, Policy Assistant for the Governmental Activities Department, may be contacted at 202-973-7113 to finalize arrangements. Once again, on behalf of children and adults with cerebral palsy and other disabilities in our great nation, the members of UCPA applaud your continued advocacy in the public policy arena.

Sincerely,

Lee Schneider
